All,

Yesterday we went down to do maintenance at Confederate Memorial Park and install a new light to illuminate our statue.

The old light lasted almost 11 years and the new one is a led light, brighter and uses less energy.

Thank You Rozz and Jess for taking the night pictures at CMP!

Whoever cut the grass at Confederate Memorial Park, Thank You!

We planted some annual flowers and the Irises are in full bloom.

The Memorial Brick order of 30 bricks was sent to our supplier last week and we will let everyone know when we receive them to be installed.

Thank You for Your Continued Support,

Jim and Christina Dunbar
